St John

To our thousands of St John Volunteers, as well as their friends, families and the employers who support them, we just wanted to say...

Thank you for the strength you give to communities across WA every single day, and night.

Thank you for your resilient, courageous actions that have changed lives for the better.

Thank you for rolling up your sleeves and taking the hard road, always helping those in need.

Thank you for the vital role you play in building a stronger WA.

We really couldn't do what we do without you.

As it's only together that we can be St John Strong.
